

# Naperville Education Foundation Community Computer Sale

**Saturday, November 14, 2009, 9 AM-12 PM**

**District 203 Administrative Center**

**203 W. Hillside Rd., Naperville**

The Naperville Technology Group, Inc. and student volunteers operating through a Business Partnership with District 203 have refurbished retired district computers purchased by the Naperville Education Foundation (NEF) with the intention to support students who are having challenges in school due to not having access to a computer at home. A special fund has been developed with the NEF through money raised from the sale of refurbished District 203 computers. The purpose of this project is to provide funding to support the computer redeployment program for students in need as well as to provide funding for the Naperville Education Foundation. The NEF supports students in District 203 through the Study Skills Academy program, Kid Booster Grants, classroom grants and scholarships.

## **There are two ways to purchase a computer:**

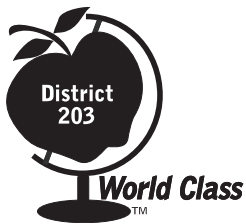

**Go to [www.napertechgroup.com](http://www.napertechgroup.com) now** to reserve and pay for your computer, then pick it up on November 14 at the District 203 Administrative Center.

**Or walk in to the sale on November 14** to purchase and pick up your computer. Payment can be made by cash, check or credit card.

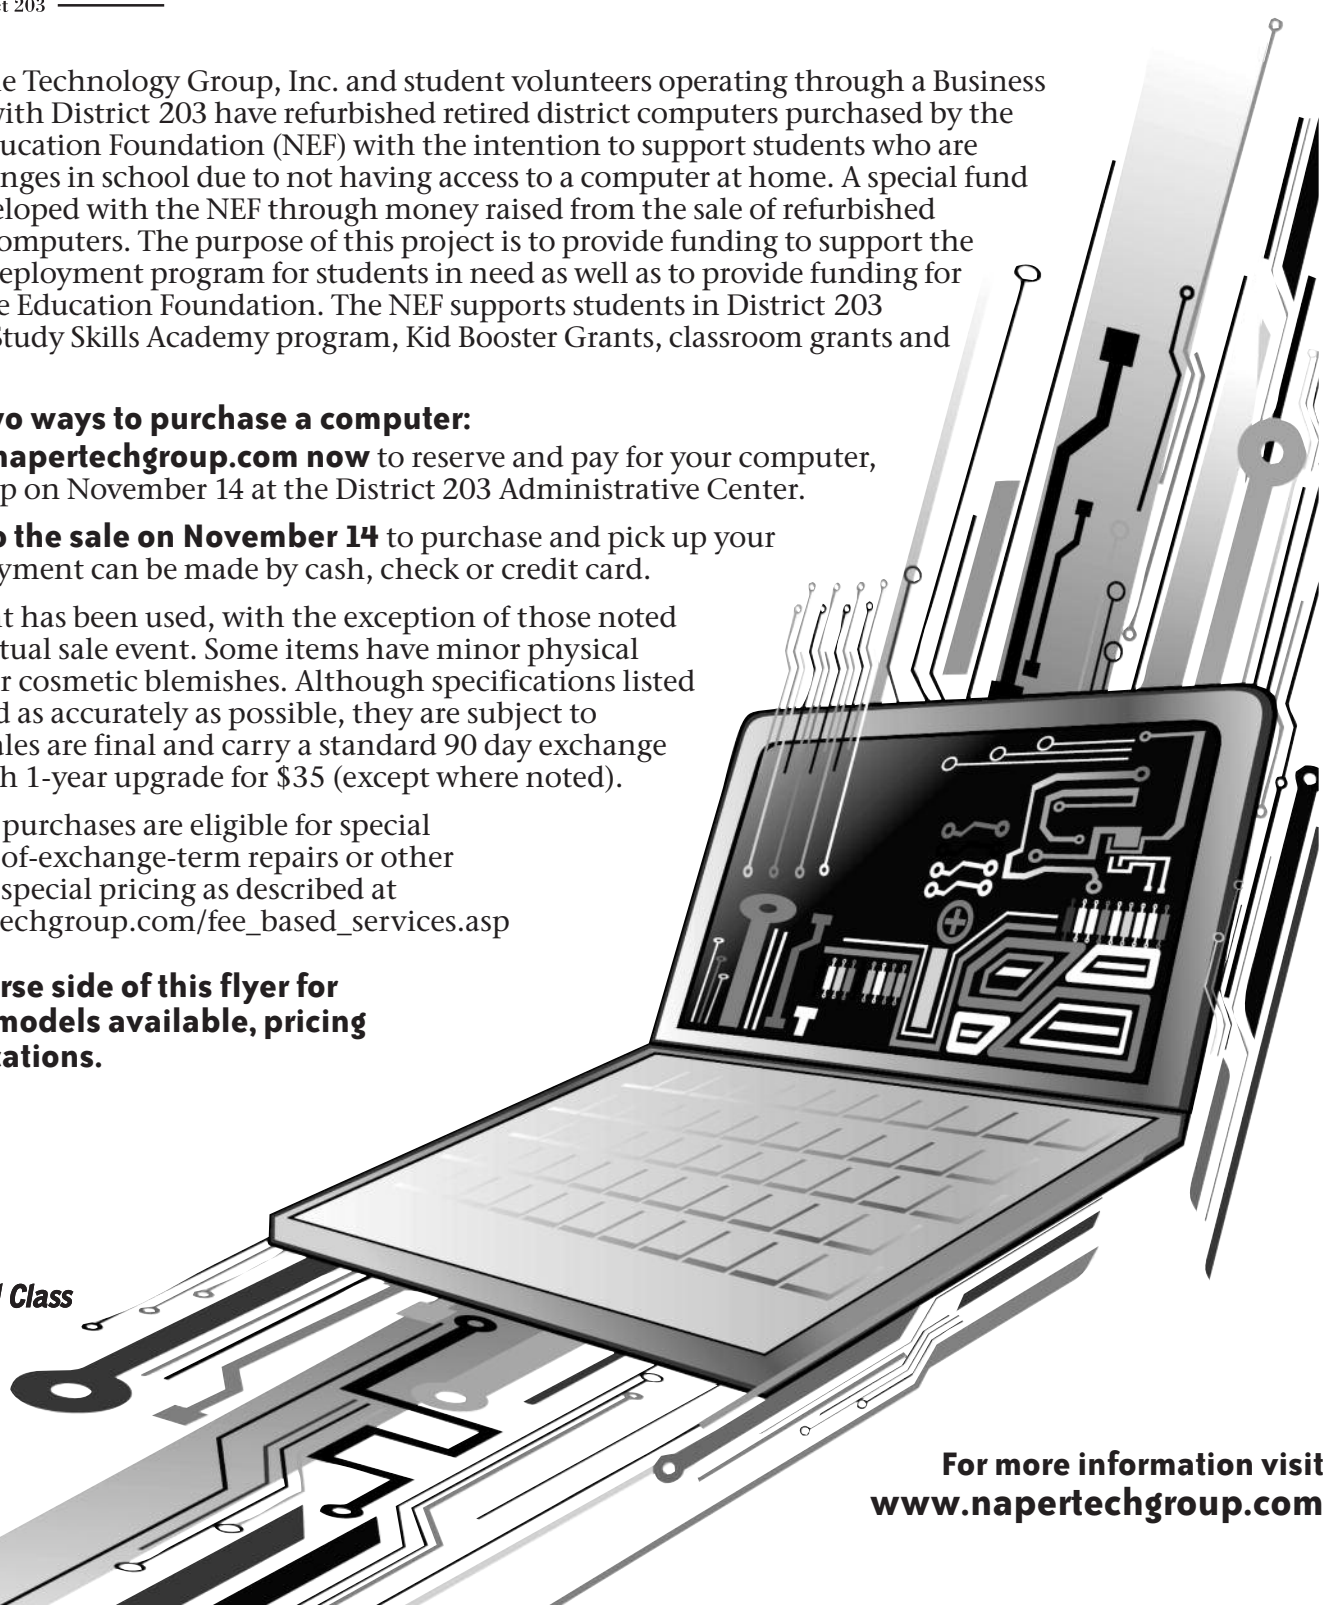

All equipment has been used, with the exception of those noted during the actual sale event. Some items have minor physical defects and/or cosmetic blemishes. Although specifications listed were collected as accurately as possible, they are subject to change. All sales are final and carry a standard 90 day exchange warranty, with 1-year upgrade for \$35 (except where noted).

All computer purchases are eligible for special upgrade, out-of-exchange-term repairs or other services with special pricing as described at [http://napertechgroup.com/fee\\_based\\_services.asp](http://napertechgroup.com/fee_based_services.asp)

**See the reverse side of this flyer for equipment models available, pricing and specifications.**
